

Addendum to John Smith's road audit – 25 June 2013

This is the full list of 96 schemes from the 2011 report with updates from the current audit. Note – Schemes 1-61 are HA projects and cost data comes from the Agency. Those from 62 onwards are local authority major projects. The costs for these LA schemes were published by the DfT in late 2011:

Tabl	e 1: List of unfunded projects identified					
			Reported			
			cost as of			
			Nov 2011		Latest	
			(£ million,	Funding or	project	
			2010	Development	Cost	
	Projects	Authority	values)	Approval given	(£m)	Notes
