

Fatigue management in transportation information exchange

Loughborough University

Loughborough University invite you to join our call to action to address fatigue management in transportation.

With the recent publication of *The Handbook of Fatigue Management in Transportation - Waking Up to the Challenge*, fatigue management has been spotlighted as a key component in transportation safety.

The Handbook editors, Prof. Ashleigh Filtness and Dr Missy Rudin-Brown, will explain how this resource can be used as a tool to apply sleep science to real world practice.

This event will provide an opportunity to hear directly from some of the authors and to ask questions.

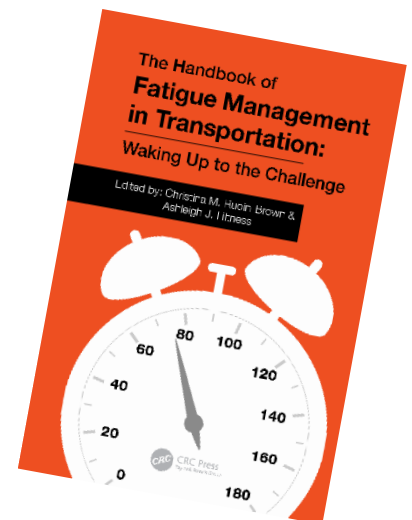

Breakfast event: 8:30-10:30am Tuesday
21st November 2023

Hosted by the RAC Foundation at The
Royal Automobile Club, London
89 Pall Mall, St. James's, London SW1Y 5HS

All attendees will receive 20% off the new handbook

The event, including breakfast, is free but places are limited. Please use the following link to register your interest before 6th November 2023:
