1 Household disposable incomes have been ranked in ascending order and divided into deciles. The "lower boundary of group" is the disposable income of households earning least for the relevant decile.

2 It is not possible to separate motoring expenditure (eg. driving licences) in this component from non-motoring expenditure (eg. stamp duty). Therefore, this data should be used with

Please note that this table includes only households owning a car or van.

Please see background notes for symbols and conventions used in this report.

Note: The numbering system is sequential, it does not use actual COICOP codes.
