*Backlog is the amount of work required to bring the stock (of bridges/carriageways etc.) to a good – but not necessarily perfect condition

**Islington provided data that was clearly anomalous, therefore it has not been included in our calculations.

†For all authorities used in the calculations, estimated backlog figure

*Backlog is the amount of work required to bring the stock (of bridges/carriageways etc.) to a good – but not necessarily perfect condition

**Islington provided data that was clearly anomalous, therefore it has not been included in our calculations.

†For all authorities used in the calculations, estimated backlog figure
